## THE GAZETTE.

SATURDAY EVENING, JUNE 13.

JAMES RUSSELL LOWELL - From one of the oldest of the foreign Universities there comes across the Atlantic a graceful and merited tribute to an American scholar and poet. James Russell Lowell has been created a Doctor of Laws by Cambridge University. The compliment is one that honors both the giver and the receiver. Perhaps no Ame: ican anthor has had a wider circle of English readers than the auth-or of "The Vision of Sir Laugfal" and "Among My Books." Thirty years ago, when the pouderous critics of the North American Review were hesitating as to Mr. Lowell's seat on the altar steps of literature, London publishers seized upon his earlier poems and sent them out to the public. Since then his writings have been as prominent on the counters of London as American book stores, and he met with a genuinely hearty welcome on British shores. Englishmen as well as Americans will congratulate him, and wish him many more rewards of his honorable and lofty life.—Balt. American.

ARRESTED. - Sometime ago an attempt was made to throw one of the Virginia and Tennes-see trains from the track, and a man by the name of Henry Smith was accused of the orime. He succeeded, however, in eluding the officers of the law until Tuesday, when he was arrested by one of the police force of Richmond, on one of the trains on the Danville road.

DESTRUCTIVE STORM.—The Martinsburg (West Virginia) Independent says a violent storm passed over the lower part of that county on Friday last, and the hail was quite severe. The wheat crops on several farms were entirely destroyed, and barns, fences and timber were blown down, the loss falling heavily on many farmers who were renters.

## FOR SALE.

REAL ESTATE IN ALEXANDRIA CITY AND COUNTY.

The undersigned, in accordance with the provisions of the will of Robert H. Miller, offer for sale the following pieces of property in the city and county of Alexandria, in the State of Vir-

The terms of sale will be agreed upon at the time of the sale, and will be easy and liberal to the purchaser. the purchaser.

First: The large, well built and convenient three-story BRICK DWELLING, known as No. 77 Washington street, situate on the east side of said street, between Queen and Princess. This house is supplied with all the modern control of the said street, between Queen and Princess. veniences, including gas and water, a first rate kitchen range, a steam heating apparatus of Gould's patent &c., &c. The lot on which it stands fronts 160 feet on Washington street, and runs through the square to St Asaph street, and contains about 38,000 square feet, or nearly one acre of land, and is in beautiful order. It conacre of land, and is in benutiful order. It contains a variety of choice fruit trees—pear, apple, quince and cherry, a fine English walnut tree in full bearing, a good collection of small fruits, strawberries, raspberries, currants and gooseberries, good asparagus beds, and a large number of fine rose bushes and other shrubs and plants. A more desirable residence than this is not to be found in the city.

Second: A two-story KESIDENCE, front building frame and back building brick, on the

building frame and back building brick, on the east size of St. Asaph street, between King and Prince, with suitable out buildings, on lot fronting 40 feet on St. Asaph street and running back

of the same width for a depth of 92 feet.

Third: A LOT on the west side of Washington street, between Duke and Wolfe, froming 78 feet 5 inches on Washington stre t and running back 113 feet to an alley 11 feet wide. There is a large FRAME TENEMENT on this lot. Fourth: The property at the seuthwest corner of King and Pitt streets, fronting 61 feet 62 inches on King street and 111 feet 7 inches on

Pitt, consisting of SEVERAL STORES, occupied at present by Thomas Hoy and others. Fifth: A LOT OF LAND fronting 52 feet 32 inches on the east side of Water street and running through the square to Union street, of uniform width, and of a depth of 300 feet.
Sixth: A WATER LOT at the northeast corner of Union and Queen streets, fronting 67 feet 7 inches on Union street and running into the

Potomac river of the same width to the Port Warden's line, having the advantage of dock room of 33 feet, being the north hall of Queen street. Sold subject to an improvement lease to T. J. Mchaffey. Seventh: A LOT situate on the east side of Union street, between Prince and Duke, fronting 30 feet on Union street and running of that width into the Potomac. This lot has a wharf

front of 38 feet, and has on it two large and commodious WAREHOUSES—one fronting on the Strand, now occupied by B. H. Lambert, and one on Union street, occupied by R. M. Eighth: A LOT OF GROUND near the Stone Bridge, on the south side of Duke street, having

a front on said street of 476 feet, and running back to the Alexandria and Fredericksburg Railroad, containing about 3½ acres. This lot contains a never failing spring of good water, and is bounded by the west bank of Hoff's run, with the privilege of using its water. The terminus of the Street Ruilway is on this property, and it is susceptible of division into building lots, which would be very desirable for mechancs and others wishing to make homes for them-Ninth: A TRACT OF LAND in Alexandria

county, near to but outside of the city limits containing 13 or 14 acres. The east line of this lot, 1000 teet long, binds on the Alexandria Canal, and the Alexandria and Washington Railroad and turnpike bind it on the west. This tract being in one compact body, offers singular advantages for a large manufacturing establishment, and being beyond the city limits it is exempt from city taxation. It is believed that there is a very large quantity of excellent clay for making bricks in this land, and the railroad and canal on either side of it would offer a cheap and easy means of conveying them to a market.

Tenth: A TRACT OF LAND in Atchison county, Missou i, lying near Rockport, the county seat, containing 316 acres, more or less. Eleventh: A TRACT OF LAND, lying in Clark county, Missouri, containing 760 acres,

more or less. Any of these pieces of property will be divided in such manner as the purchaser may desire unless the value of the same be impaired by such division. As there is now hourly communication between Alexandria and Washington, both by radroad and steamboat, every facility is of-fered to persons doing business in Washington who may desire to avail themselves of the much greater economy of living in Alexandria. For turther information apply to either of the Executors, ELISHA J. MILLER, Executors.
